

Cabinets with or without Layout Kits Installed

Eye-Level (59 1/4"H) Modular Drawer Cabinets

Our most popular cabinets fulfill 95% of high density storage requirements for typical applications. Each drawing represents the specific cabinet with drawers designated by numbers at left and layout kits designated by numbers at right on each illustration.

To determine your selection(s) compare each configuration to the sizes and quantities of items you will store according to the color coding of each drawing.

Note: Each cabinet drawer suspension has six heavy duty precision ball bearing rollers, two ball bearing floating rollers and two floating nylon rollers.

HOW TO ORDER

250 Series—Single Drawer Access

Catalog numbers with the 250 series prefix (250-680A-3) have **Safetylink**.

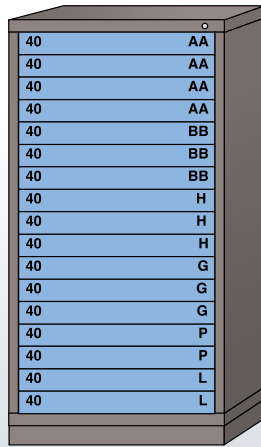

251 Series—Multiple Drawer Access

Catalog numbers with the 251 series prefix (251-680A-3) **do not have Safetylink**.

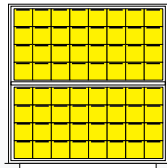

(If you are unsure which locking system you need, see page 61.)

Catalog numbers shown indicate cabinets with layout kits installed. To order cabinets with layout kits uninstalled, add the suffix -1 to the catalog number (250-680A-1 or 251-680A-1)

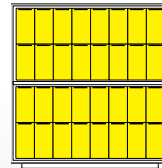

To custom design modular drawer cabinets see Steps 1 through 5 on pages 59-61
