

As far back as 1945, Lyon was given the "E" Award for excellence in war production. In our opinion, this is the country's top honor for quality and service.

Lyon Workspace Products, headquartered in Aurora, IL, is an innovator, manufacturer and marketer of GSA-approved storage systems and workspace products. Since 1901, Lyon has pioneered technologies and system solutions in the product categories of lockers, shelving, storage racking and modular drawer cabinets. Today, Lyon continues its commitment to helping all government facilities—from local municipalities to Veteran's hospitals and the Department of Defense store and organize their products while maximizing workspace.

The Lyon Workspace Products full line catalog contains GSA and open market products. In an effort to present the full line product catalog to our GSA contacts, we must highlight which **ARE NOT** GSA approved products. Below is what are the open market products **WHICH ARE NOT** approved GSA products:
