

## Maximize your locker space. **LOCKER ACCESSORIES**

### Increase the functionality of your locker.

This selection of locker accessories will provide functionality, storage and organization to your locker. Two mirror options will accommodate a wide range of user heights, and can install on all existing Lyon lockers. The storage bin will keep organized all the small articles that will roll around and get lost inside the locker, with a wash cloth/towel rack to help air dry articles without getting your clothes inside wet.
