NEW REDESIGNED DELUXE COMPUTER WORKSTATION PROVIDES INCREASED PRODUCTIVITY WITH INCREASED SECURITY

Lyon Workspace Products, LLC, Aurora, IL, has introduced a new and improved computer workstation for shop floor use in manufacturing plants, maintenance facilities and warehouses – anywhere increased computer security and protection against dust, dirt and other airborne contaminants are important.

This computer workstation easily fits a 21" monitor, keyboard, CPU, printer and workstation supplies.

FEATURES

- Clear view monitor door allows for visibility and protection of up to a 21" monitor
- Individually locking monitor, keyboard and printer/CPU doors.
- Fully removable back panel for clear access to computer system.
- 2 rigid and 2 swivel-locking 5" polyolefin casters
- Includes pre-installed cooling fan and 6 outlet surge protector.

SPECIFICATIONS

The overall cabinet is 30" w x 28 1/4" d x 59 1/4" h (casters add 6 1/2" to overall height).
Ships assembled for immediate use (*casters not installed*)
