LYON®

SIT-STAND STOOL

Ergonomic Weight Support Reduces Leg and Foot Stress

- Adjustable seat height with a 10" range
- Ergonomically formed, padded polyurethane seat
- Gravity lock locking system
- Seat rotates left and right with memory return to 12 o'clock position

Lift the adjustment paddle to change seat angle within a 20° pivot range.

Small wheels embedded in the base provides easy transporting.

Take up to 70% of your weight off your legs and feet while increasing productivity at your workstation!

The height adjustable seat pivots and rotates providing ergonomic body movement while working.
