INTEGRATED AUTOMOTIVE

MODULAR DRAWER CABINETS provide high-density storage that is ideal for organizing small to mid-sized parts. Rotate items quickly by relocating the fastest moving items to a custom designed parts counter using modular drawer cabinets.

SPECIALITY STORAGE RACKS are perfect for the difficult to store bulky items like mufflers, sheet metal parts, tires and batteries as well as bulky merchandise in cartons. Speciality storage racks are easy to assemble and offer a cost effective solution.

ALL-WELDED CABINETS provide a secure location any place in your shop. Heavy-duty 14 gauge steel makes these cabinets durable and nearly impenetrable. Store valuable items in these units to reduce shrinkage and deter theft.

STORAGE SOLUTIONS

AUTOMOTIVE SHELVING is a necessity in any parts or service department. Lyon offers a variety of shelving options from pallet rack to boltless shelving, rivet rack to clip shelving. Want more flexibility, high-density drawers in shelving offer a solution that maximizes organization.

WORKSTATIONS AND WORKBENCHES extend your repair and maintenance services by providing a repair area for engine parts. Create your ideal workstation by choosing from a selection of pre-engineered workstations or customize your own.

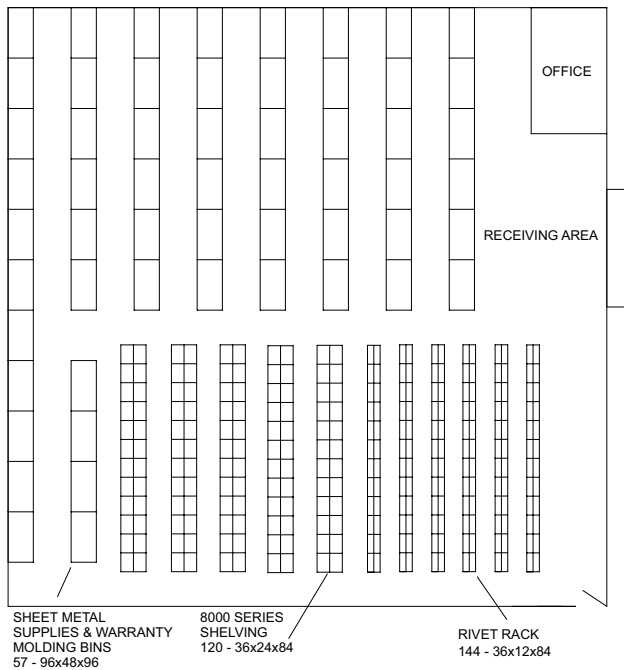

ALL-WELDED LOCKERS help keep personal items such as bags, cell phones, and computers safe while employees are on the job. The heavy-duty construction helps deter theft and is durable enough to last for years.

Basic Parts Dept.

Fully Integrated Parts Dept.

TYPICAL AUTOMOTIVE PARTS DEPARTMENT

The fully integrated parts department (bottom), compared to the basic parts department (top), increases storage capacity by 30% while reducing floor space requirements by 1,458 sq. ft.

The fully integrated solution consists of the following:

- Rivet Rack:
36" w x 12" d x 84" h
for overstock of small parts
- 8000 Series Open/Closed Shelving Sections:
36" w x 24" d x 84" h for moldings
- Bar, Pipe & Rod Rack:
36" w x 21-7/8" d x 79-1/4" h
for long parts
- Bulk Storage Rack:
96" w x 48" d x 96" h
for sheet metal parts
- All-Welded Storage Cabinets:
36" w x 21" d x 82" h
for heavy parts/security
- Modular Drawer Storage Cabinets:
(common inside drawer height range 2-1/4" to 6-3/16")
for high density, secured small parts storage
