

## ALL WELDED HEAVY-DUTY CABINETS

Lyon all-welded shelf cabinets have plenty of space for storing your larger equipment. A combination storage cabinet lets you store detail shop uniforms or protective gear on one side while storing supplies such as sponges or polish on the other side.

4 door cabinets allow you to create secure storage for 4 people in a single cabinet. You can also divide the compartments up for different gear. Each door features a secure 3-point locking system. They also have their own padlock hasp.

- Lockable steel doors with heavy duty hinges for cleanliness and security
- Shelves adjust on 3" centers to meet your changing requirements
- 4" high legs keep cabinet away from moisture and allow for cleaning
- Cabinets can be moved fully loaded

Cabinet Type	Overall Dimensions			Shelves	Shelf Capacity	Additional Features	Item
	Width	Depth	Height

4-Door Clearview	48"	24"	82"	4 compartment	1,450 lbs.	–	<b>11204DV</b>

## HEAVY-DUTY VENTILATED AND CLEARVIEW CABINETS

All-welded ventilated cabinets are manufactured with diamond perforated doors. A ventilated cabinet is ideal for storing things like sealants or other cleaning chemicals that benefit from increased air flow.

Our Clearview cabinets feature 3/16" thick Lexan door inserts in the cabinet doors. This allows you to view the contents while the cabinet remains locked. Quickly and easily take note of what detailing supplies you have on hand while the doors remain closed.

- Lockable doors allow for quick inspection of contents
- Shelves adjust on 3" centers to meet your changing requirements
- 4" high legs keep cabinet away from moisture and allow for cleaning
- Cabinets can be moved fully loaded

Cabinet Type	Overall Dimensions			Shelves	Shelf Capacity	Item
	Width	Depth	Height			
Ventilated	48"	24"	82"	4 full	1,450 lbs.	<b>1120DP</b>
Ventilated	60"	24"	82"	4 full	1,450 lbs.	<b>1145DP</b>
Clearview	48"	24"	82"	4 full	1,450 lbs.	<b>1120V</b>

Stocked items are Dove Gray. Other colors available.

## STANDARD DUTY CABINETS

Steel cabinets at an economical price point. They are perfect for medium-duty storage use. The shelf cabinets have plenty of space for storing your larger equipment in the detail shop. A combination storage cabinet offers both shelf storage and hanging storage. The Lyon combination cabinet lets you store detail shop uniforms or protective gear on one side while storing supplies such as cleaners or towels on the other side.

- Optional Plexiglass doors allow for visual inspection without opening doors
- Shelves adjust on 2" centers allowing for storage flexibility
- 4" high base keeps contents away from moisture and chemicals

## HEAVY-DUTY WELDED MOBILE CABINETS

Lyon includes four 6" h polyolefin casters, 2 swivel with brakes; 2 rigid without brakes, with the 1170 mobile cabinet. The casters have a weight capacity of 700 lbs each for an overall weight capacity of 2,800 lbs. The steel handle on the side also allows you to steer the 60" wide storage cabinet to where you need it to go. Easily move the mobile cabinet about either your warehouse or facility.

- Rigid, all welded construction handles uneven surfaces
- Three-point door lock system keeps contents secure during transport
- Steel handle allows for easy steering

Cabinet Type	Overall Dimensions			Shelves	Shelf Capacity	Item
	Width	Depth	Height			
Mobile	60"	24"	67-1/2"	3 full	1,450 lbs.	<b>1170</b>
