

# COUNTER AREAS / FAST MOVING PARTS

Stocked items are Dove Gray. Other colors available.

Keep your techs working, not waiting for parts. These units are designed to maximize your storage density while keeping your fast-moving parts closest to the counter.

**PRE-CONFIGURED MODULAR DRAWER CABINETS** allow you to take full advantage of your under counter space. Drawers extend 100% beyond cabinet frame and have a capacity of 400 lbs per drawer. All modular drawer interiors are fully configurable to match your inventory requirements. Each cabinet features a fork lift base.

## MID-RANGE AND COUNTER MODULAR DRAWER CABINETS

|                   | Width   | Depth  | Height   | Item No.   | No. of Drawers | No. of Compartments |

## BUILD YOUR OWN COUNTER AREAS

using Lyon's modular drawer cabinets, shelf units, stainless steel countertops and panel legs.

For the ultimate parts counter include a work surface made of 16-Gauge type 304, #4 finish formed stainless steel cover over Industrial Grade Particle Board (IGPB). Edges are wrapped and welded.

One-piece, heavy-gauge welded frame open or closed panel legs complete your work surface.
