

# ALL-WELDED CABINETS

## INDUSTRIAL STORAGE CABINETS

All-welded storage cabinets are built to withstand the toughest storage challenges. These heavy-duty cabinets are constructed from durable 14-gauge steel.

Shelves are adjustable on 3" centers, allowing you to customize the interior space to accommodate items of various sizes. Each shelf boasts an impressive payload capacity ensuring that you can store heavy equipment, tools, and supplies.

## ALL-WELDED CABINET FEATURES
