

# MAXIMIZE YOUR LOCKER SPACE

## LOCKER ACCESSORIES

### Increase the functionality of your locker.

This selection of locker accessories will provide functionality, storage and organization to your locker.

**Bottom Options** are galvanized, stainless (not painted).

**Locker Legs** add 6" to overall locker height. *Must be specified on initial order.*

**Galvanized Lockers** are for installations in high corrosive atmospheres. *Not available for expanded metal lockers.*

**"Z" Type Bases** offer added toe space and effective support using rugged 12-gauge steel. Adds 4" to overall locker height.

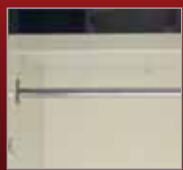

**Closed Style Bases** fit in the 6" high spaces between legs when furnished. They provide finished appearance and facilitate cleaning.

**"Kitchen Cabinet Style" Bases** are 4" high, and give a smooth, unbroken appearance to lockers without legs.

### Lock Options

**Galvanized Coat Rods**

**Coat Hooks**

**Fire Extinguisher Lockers**

**Aluminum Number Plates**
