Standard Lockers: 24g body, 16g door & frame, 5 knuckle hinges, quiet locking device, stainless steel recessed handles. Single tier lockers have shelves. Single and double tier lockers have one double prong coat hook and three single prong wall hooks. Coat rods are standard on single tier lockers 18" deep, replacing the ceiling hook. All orders will ship FOB IL and be bulk packed at Lyon's discretion. Lyon reserves the right to cancel or change this promotion at any time.
